

PROJECT TITLE: British Adapter #2

DATE: Dec 12, 2017

PIECES:

- * ADAPTER BOTTOM

- * ADAPTER TOP

DESCRIPTION:

These are two adapter pieces to attach a component with strange screw configuration to a piece above it and below it that have 1/4"-20 screw holes in a 1" grid

REQUIREMENTS:

The top and bottom of each piece must be flat

The lateral borders can be very irregular or have extra metal / pieces of metal missing, only require a 0.5" of material surrounding each specified hole.

NOTES:

All dimension in inches

"UNKNOWN SCREW" will be brought to shop to be measured, though I assume it is a 6-32 screw
